

# CHÂTEAU L'ARGENTIER

*Famille Jourdan, vigneronns à Sommières depuis 1937*

# Estate

Located in **Sommières**, between Nîmes and Montpellier, Château l'Argentier is run by the Jourdan family **since 1937**. Taking care of 24 hectares under vines, including **2,20 hectares** classified under the Languedoc denomination « **Sommières** » and **5,94 hectares** classified under the Languedoc denomination « **Grès de Montpellier** », current owners **Élisabeth & Francois JOURDAN** are committed to produce **terroir-driven** wines from **Languedoc indigenous grapes** such as **Cinsault, Carignan, Grenache, Mourvèdre, Syrah & Aramon**. Produced from **old vines** planted on **flinty soils**, all the wines are fermented in **concrete** vats. **After ageing in bottles**, Château l'Argentier wines are **released when they are at their best for drinking**.

## Wines

### Château l'Argentier AOP Languedoc « Sommières » red

Produced from our **2,20 hectares** (4.41 acres) vineyard classified under the AOP Languedoc denomination « **Sommières** », this **Syrah-driven** wine is complex and well structured.

### Château l'Argentier AOP Languedoc « Grès de Montpellier » red

Produced from our **5,94 hectares** (14.29 acres) vineyard classified under the AOP Languedoc denomination « **Grès de Montpellier** », this **Grenache-driven** wine is complex and well balanced.

### Château l'Argentier « AOP Languedoc » red

Produced from **Syrah, Grenache and Carignan**, this **medium-bodied** AOP Languedoc wine is complex and terroir-driven. Red fruit flavours, spicy notes and a **bright acidity**.

### E. & F. Jourdan CARIGNAN « Vieilles Vignes » red

Produced from Château l'Argentier's **oldest vineyard**, 2.25 hectares of Carignan **planted in 1935**, this **100% Carignan** cuvée is well balanced with a long ageing ability.

### E. & F. Jourdan CINSAULT « Vieilles Vignes » red

This **100% Cinsault** cuvée is a unique opportunity to discover one of the finest **Languedoc indigenous varietal**. With soft tannins and a light ruby color this wine is produced from old vines **planted in 1969**.

### E. & F. Jourdan ARAMON « Vieilles Vignes » rosé

This rosé wine is produced from a 3 hectares vineyard of **Aramon planted in 1957**. Produced from another **Languedoc indigenous grape varietal**, this rosé wine shows a light color and a **very good acidity**.
